

User Group Policy Guidelines (06/07/2020) – Through July 2020

- **General**
 - Current maximum group size allowed is 60 (30 per lodge). (42% sleeping capacity AL, 34% sleeping capacity OL, but in both cases is about 66% of bottom bed capacity). 10 round tables spread out at least 6 feet apart in dining hall/activity hall.
 - Before arrival, groups must advise all guests of who is vulnerable and at risk for COVID-19.
 - Group is required to collect health forms for each participant.
 - Group is required to collect pre-camp health screening form for each participant.
 - Group is required to screen guests' temperatures upon arrival.
 - This is the responsibility of the group.
 - The group is allowed to use Camp's non-contact thermometers.
 - Any guest with a 100.4 degree temperature or higher cannot participate and must be sent home.
 - Any guest with symptoms of COVID-19, either upon arrival or developed throughout the event, cannot participate and must be sent home.
 - Social distancing is to be maintained.
 - Guests to stay 6 ft apart as often as possible.
 - Wearing a mask, especially indoors, is encouraged.
 - In settings where social distancing cannot be maintained, participants are required to wear a mask. This may include:
 - Seating for a presentation.
 - Doing an activity.
 - We recommend your user-group only be where all participants are coming from the same local geographic area, with the largest geographical area being the county.
 - Hand sanitizer readily available throughout the lodge.
